**SUPPLEMENTARY INFORMATION:**

*Title of Collection:* External Reviewer Application Instructions.

*OMB Control Number:* 3045-0090.

*Type of Review:* Revision.

*Respondents/Affected Public:* Individuals and Households.

*Total Estimated Number of Annual Responses:* 500 Respondents.

*Total Estimated Number of Annual Burden Hours:* 250.

*Abstract:* The External Reviewer Application is used by individuals who wish to serve as External Reviewers for AmeriCorps when external reviewers are needed to review grant applications. The information collected will be used by AmeriCorps to select review participants for each grant competition. The information is collected electronically using AmeriCorps' web-based system. AmeriCorps seeks to revise the current information collection. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on February 28, 2023.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize

the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).
